ANCIENT GREECE The ancient Greeks lived in an area along the northeastern Mediterranean Sea, with a wide variety of topography: mainland, peninsulas and many islands. Because of this location, it was natural that the Greeks became active in trade by sea. The first civilization in ancient Greece was located on the island of Crete.

development of Greece, just as the location of water did in ancient Egypt, India, and China. The Greeks used the sea to trade many goods including timber, precious metals, and pottery. Many harbors were built along the coastline of Greece. As Greek civilization expanded, the Black Sea became part of Greek territory.
