Hoskier has well pointed out how the uncials of the Revelation text are all over the place, with many omissions and additions. The wildest of them all in Revelation is Sinaiticus. The only uncial that is not "all over the place," but which seems to represent a standardized majority text, is the uncial 046 (called B in his work).

biblical prophecy. Hundreds of thousands of visitors have accessed the book or downloaded it to guide them in their study of this great subject. September 11th of 2001 changed the way that everyone looked at the world and at the subject of prophecy. In spite of this, the classic outline of future events given in the book has not needed to be changed.
