The history of Canadian women covers half the population, but until recent years only comprised a tiny fraction of the historiography. The history of women in Canada is influenced by many events, notably major events of the 20th century such as the Persons Case, brought by five women - The Famous Five - in 1927 and decided in 1929.

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:
